FRANCEGO VIP TRANSFERS & TOURS

Public Rates, Distance Matrix & Web Services API

Developer guide for dynamic mileage rates, hourly tour bookings, France address autocomplete, verified reputation reviews, and customer inquiries.

VERSION 1.2 | DISTANCE & HOURLY RATES | GOOGLE MAPS PLATFORM

Target Host: https://francegotransfers.io

Base Rate Models: Fixed Hub Fares, Distance (€2.00 / €2.70 per km), Hourly Tours (€65 / €80 per hour)

Geocoding Coverage: Mainland France & Paris Île-de-France

Official Dispatch Hotline: +33 7 81 11 83 94 | projet15df@outlook.fr

Date: October 2026

1. Fare Structure & Service Models

A. Fixed Hub-to-Hub Rates

Guaranteed fixed transfer rates connecting major Paris transportation terminals (Charles de Gaulle, Orly, Beauvais, Gare du Nord) with Disneyland Paris, central Paris hotels, and historical châteaux. Includes 60 minutes free flight waiting time, child seats, luggage handling, and meet-and-greet.

B. Custom Distance-Based Transfer Fares

For custom itineraries outside standard airport routes, FranceGo applies a transparent, distance-based formula calculated via Google Maps driving distance:

Vehicle Class	Capacity	Rate per Kilometer	Minimum Base Fare
Berline Car / Sedan	1 - 3 Passengers, 3 Bags	**2.00 € / km**	70 €
Van / Minivan / V-Class	1 - 8 Passengers, 8 Bags	**2.70 € / km**	95 €

C. Hourly Chauffeur & Driver Guide Tours

Full-day and half-day hourly vehicle charters featuring a professional driver-guide for sightseeing in Paris, Champagne tastings, Normandy D-Day beaches, and Versailles excursions:

Service Tier	Vehicle Type	Hourly Rate	Included Amenities
Hourly Sedan Tour	Executive Car (1 - 3 Pax)	**65 € / hour**	Driver-Guide, Fuel, Chauffeur Waiting, Wi-Fi
Hourly Van Tour	Minivan / VIP Van (1 - 8 Pax)	**80 € / hour**	Driver-Guide, Fuel, Chauffeur Waiting, Child Seats

2. Public Endpoints Reference

Endpoint 1: Calculate Driving Distance & Dynamic Fares

`POST` `https://francegotransfers.io/api/maps/distance`

Computes driving route distance in kilometers, estimated travel time in minutes, and accurate fare estimates across all vehicle tiers (Sedan, Minivan, VIP Van, Minibus).

Request Headers

```
Content-Type: application/json
```

Request Payload (JSON)

```
{
  "origin": "Paris Charles de Gaulle Airport",
  "destination": "Disneyland Paris"
}
```

Response (`200 OK`)

```
{
  "success": true,
  "distanceKm": 35,
  "durationMinutes": 40,
  "pricing": {
    "sedan": 70,
    "economyVan": 95,
    "businessVan": 123,
    "minibus": 158
  },
  "originAddress": "Paris Charles de Gaulle Airport",
  "destinationAddress": "Disneyland Paris",
  "cached": false,
  "liveApiUsed": true
}
```

Endpoint 2: France Address & Landmark Autocomplete

`GET` `https://francegotransfers.io/api/maps/autocomplete?input={query}`

Provides real-time street address, hotel, and tourist landmark autocompletion across France using the Google Places API engine (restricted to `country:fr`).

Query Parameters

Parameter	Type	Required	Description
`input`	String	Yes	Search query with at least 2 characters (e.g. `Eiffel`, `Beauval`).

cURL Example

```
curl -X GET "https://francegotransfers.io/api/maps/autocomplete?input=Eiffel"
```

Response (`200 OK`)

```
{
  "predictions": [
    {
      "placeId": "ChIJLU7jZClu5kcR4PcOOO6p3I0",
      "description": "Tour Eiffel, Champ de Mars, 5 Avenue Anatole France, 75007 Paris, France",
      "mainText": "Tour Eiffel",
      "secondaryText": "Champ de Mars, 5 Avenue Anatole France, Paris, France"
    },
    {
      "placeId": "ChIJcQf_TClu5kcR_Y814u1hP1w",
      "description": "Pullman Paris Tour Eiffel, Avenue de Suffren, Paris, France",
      "mainText": "Pullman Paris Tour Eiffel",
      "secondaryText": "Avenue de Suffren, Paris, France"
    }
  ]
}
```

Endpoint 3: Unified Ratings & Review Synchronization

`GET` `https://francegotransfers.io/api/reviews/external`

Returns live aggregate star ratings (e.g. `4.9 / 5.0`), total review counts, verified customer feedback, and official review links from TripAdvisor and Google Places.

Response (`200 OK`)

```
{
  "success": true,
  "ratingScore": 4.9,
  "totalReviews": 385,
  "source": "Verified Guest Reviews & TripAdvisor",
  "tripAdvisorUrl": "https://www.tripadvisor.com/...",
  "googleReviewsUrl": "https://maps.app.goo.gl/DwYGzJ9yDqszXAPW7",
  "reviews": [
    {
      "id": "rev_1",
      "name": "Sarah & Family",
      "originCountry": "London, UK",
      "route": "CDG Airport → Disneyland Paris",
      "rating": 5,
      "date": "October 2026",
      "verified": true,
      "review": "Outstanding service! Driver was waiting at CDG arrivals with a personalized name ta
    }
  ]
}
```

Endpoint 4: Submit Customer Contact Inquiry

`POST` `https://francegotransfers.io/api/contact`

Public endpoint for customer inquiries from `/contact-us`. Includes anti-spam rate limiting (5 req / hour per IP) and saves leads directly into the Admin CRM.

Request Body (JSON)

```
{
  "name": "Alexandre Dupont",
  "email": "alexandre@example.fr",
  "phone": "+33612345678",
  "subject": "Corporate Seminar Transfer",
  "message": "Need shuttle services for 20 executives between CDG and Versailles Palace."
}
```

Response (`200 OK`)

```
{
  "success": true,
  "message": "Contact submission saved successfully.",
  "submission": {
    "id": "cmvryrxar0007k2ysvmfcpbha",
    "createdAt": "2026-10-28T10:20:59.092Z"
  }
}
```
